

PAPER TITLE

First Author¹, Au Thor², Troisième Auteur³

¹ *Department for first author, University of first author, First.Author@university.ca*

² *Department for author II, University for author II, Au.Thor@university.ca*

³ *Département de génie mécanique, Université de l'auteur III, Troi.Auteur@uatlantique.ca*

Abstract

Abstract in English goes here.

Keywords: mechanisms, machines, mechatronics

TITRE EN FRANCAIS

Résumé

Remplacez ce text avec le résumé en français.

Mots clés: mécanismes, machines, mécatronique

1 INTRODUCTION

The introduction goes here. If there were any substance to this paper, the supporting literature could be represented by [1; 2; 3].

2 TITLE FOR SECOND SECTION

2.1 This is the first subsection

Some sample text. Figure 1 is a sample figure, while Table 1 is a sample table.

Figure 1: Figure captions appear below figure: First Author gets a shot on goal.

Table 1: Table captions appear above table: wait till next year!

Season	Games	Goals	Assists	Points	Stanley Cups
2004-05	15	5	22	27	0
2005-06	15	8	18	26	0
2006-07	8	3	11	14	???
Totals	38	16	51	67	???

2.2 This is the second subsection

Some more sample text.

3 CONCLUSIONS

This document provided an example of a paper prepared for the CCToMM M³ 2007 Symposium.
